The Nelsonville Aquatic Center provides quality swim lessons that develop key water safety skills. We offer the American Red Cross Swim Lessons which are designed to encourage a lifetime of safety, fun and fitness. Each level builds skills and endurance with a specific teaching progression to make learning easier and exciting!

Learn-to-Swim Guidelines

Each class is 30 minutes long with a minimum enrollment of 5 swimmers per class, per level. All participants are required to follow the rules of the Athens City Pool and those rules specific to the learn to swim programs:

- ✓ **Parents/ guardians may observe lessons from the designated viewing areas.** This is to minimize potential distractions and help students and instructors to focus fully on instruction.
- ✓ Swimmers should be dressed in swim attire and ready to begin class on time.
- ✓ Swimmers will be required to shower before entering the pool.

Note: All hours are subject to change. All changes will be posted in advance at the pool and online at City website and Facebook page.
